

Anthani Legault

Full-stack web developer - For over half a decade

Ottawa, Canada

(343) 551-1865

legaultanthani@gmail.com

EXPERIENCE

[Pitchcamp](#) — Full Stack Dev

2023 - PRESENT

- Contributed as a full-stack developer to Pitchcamp, a cutting-edge startup specializing in advanced campground management.
- Proficiently utilize React, Express, and Tailwind CSS to deliver robust solutions.
- Collaborate in designing and implementing essential features to enhance product functionality.

[Chatlas](#) — Full Stack Dev

2021 - 2023

- Developing Chatlas, an AI support chatbot which helps give websites around the clock support for their website.
- Proficiently utilized technologies such as Express, MongoDB, React, React Native, Tailwind CSS, and Node.js to build the platform from the ground up.
- Successfully integrated recurring payment functionality through Stripe.

[Pass Protect](#) — Backend Dev

2019 - 2021

- Contributed to Pass Protect, a cross-platform password manager encompassing web, Chrome Extension, Android app, and iOS app.
- Used React and Carbon UI on the client and Python (Fast API) and Postgres on the server.
